

What are the expected time frames?

JUNE 2019

We have updated the indicative time frames for the new regime for financial advice to reflect the passage of the Financial Services Legislation Amendment Act and the approval of the Code of Conduct. Cabinet has agreed that the new regime will come into effect in June 2020. The exact date will be confirmed by Order in Council in the coming months. In the meantime, now is the time to familiarise yourself with the Code of Conduct and the Amendment Act. You can find out more information on MBIE's website at www.mbie.govt.nz/faareview.
